инновационного  
развития «DARA»

## INFORMATION LETTER

**Dear colleagues and young scientists!**

**Eurasian center of innovative development «DARA» invites you to participate in international scientific-practical conference «SCIENCE AND TECHNOLOGIES OF XXI CENTURY» on 18 July 2017.**

The conference is performed in order to create a space for professional self-realization of young scientists, for their involvement in solving of actual regional and global problems, for engagement of young scientists in research and project activity, and for assistance in their professional orientation.

The conference languages: kazakh, russian, english.

The proposed for your attention conference is performed in correspondence form with subsequent publication of a volume of conference proceedings in electronic format. Each participant and their scientific leaders will receive a certificate which is confirming participation in the conference. An electronic compilation with ISBN will be published after the conference. The compilation will be placed on internet site <http://ruslanbox3.wixsite.com/ecir>.

### **DIRECTIONS OF THE CONFERENCE WORK:**

- Section 1. Physical and Mathematical sciences
- Section 2. Information and communication technology
- Section 3. Technical sciences
- Section 4. Chemical sciences
- Section 5. Biological sciences
- Section 6. Ecology
- Section 7. Earth science
- Section 8. Agricultural Science
- Section 9. Liberal arts
- Section 10. History, Sociology and Law
- Section 11. Economic sciences
- Section 12. Medical sciences

### **REQUIREMENTS TO PUBLICATION PREPARATION**

1. Responsibility for the article content lies with the participants and their supervisors.
2. Volume of publication should be 2 to 5 pages of typewritten text.
3. The text should be typed in Microsoft Word 2007 and higher, font Times New Roman size 12, single line spacing, justified text alignment. File of article should be saved as DOCX. Formulas should be typed in the equation editor of Word. Tables, charts, drawings should have a title and numbering. Page orientation is portrait. All page margins – 2 cm.

4. Texts are issued as follows: title of the article, the line below, after the interval, surname, name, patronymic of the author (co-author) completely, then on the next line the name of the organization (in full, no abbreviations), city. Further, after one blank line the text of presented article should be printed.

#### **Example of text preparation**

Cost of participation in correspondence conference with publication of article in electronic volume of conference proceedings is KZT 1500 (for foreign participants – RUR 300 or USD 5) for one article. Payment should be performed on requisites specified in this information letter.

If you want to participate the conference, you should send on address **ecir.nauka@gmail.com** before **10 Jul 2017** following materials:

- the text of the report corresponding to the requirements of its preparation;
- review/recommendation (scanned version) of the scientific supervisor or candidate/doctor of sciences according to the profile;
- the application form for participation in the conference;
- scanned (photographed) receipt.

For publication, you should send full list of above-mentioned documents, otherwise, the application will be rejected. All the materials (text of article, review, application form, receipt) should be sent as a separate file. In return, you will get a letter with confirmation of receiving of your work for publication. If you did not get the response, please contact us.

Applications, which came to organizational committee **after the deadline** will not be considered and the materials will not be published.

**The Organizing committee reserves the right to select materials for publication.**

**The editorial board will examine received materials. Materials will be published in conference proceedings by conclusion of the editorial board.**
